A MESSAGE FROM OUR PATRON

Reverend Father Constantine Lentakis

I would like to congratulate, once more, our Youth Association's President, and Committee, for their untiring efforts to keep our youth united and active. Their work is invaluable and deserving of the highest praise.

Our Youth Association has been successful in servicing the needs of our youth. The 12th Debutante Ball is an example, and I am pleased to be of assistance whenever it is required. I am sure the good work will continue.

Our communities Committees, past and present, our fellowship gatherings which reassure me of the spiritual strength and unity of our youth all contribute towards our success.

May the Holy Mighty God guide us always for the Glory of our Church.

Yours in Christ

Father Constantine Lentakis
Parish Priest
Greek Orthodox Southside Parish

A MESSAGE FROM OUR GUEST OF HONOUR

Frank Carroll MLC

I am very pleased to hear that many of the young ladies in your Southside Parish Youth Association will be making their Debut at the Debutante Ball to be held on 28 September 1996 at the Sheraton Hotel in the city of Brisbane.

I have been impressed with the large, lively congregation at your Church and by the strong family values clearly held by the members of your Church and their friends. I have had the opportunity to observe that Church life at several well attended social events held in the hall at your Creek Road property.

I compliment you, Rev. Fr. Constantine and all of the members of your Church upon the very valuable contribution which you make to the social and religious welfare of people not only in the electorate of Mansfield (which I serve) but across the City of Brisbane.

I look forward to receiving the Debutantes on the evening of 28 September 1996. My wife and I recognise this as an important and memorable occasion to those young ladies who will be showing that they know how to dress and behave in a mature and traditional way at such a grand event in the Sheraton Ballroom.

Joan and I look forward to seeing you on 28 September 1996.

With kind regards and best wishes

Frank Carroll MLC,
Member for Mansfield

MATRON OF HONOUR

Helen Livanos

It is a great privilege to be the Matron of Honour at this, the twelfth Debutante Ball.

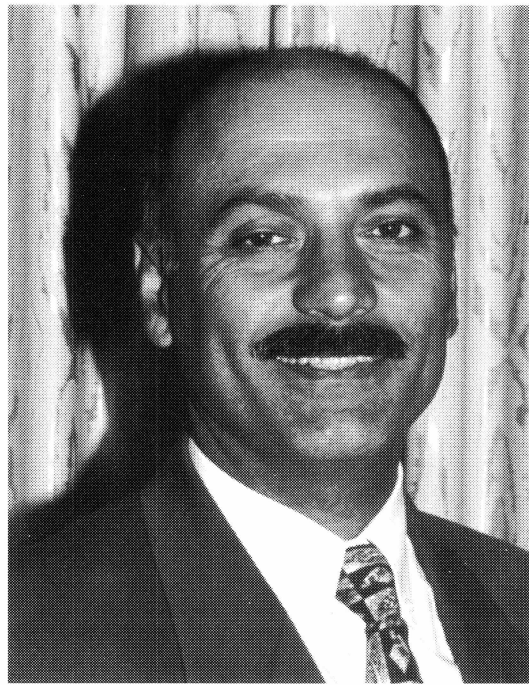

Tonight as the lovely debutantes are introduced into society, we as parents and members of the Greek Orthodox Southside Community are proud of the community spirit and continuing Christian responsibility displayed by our young people.

Our Youth association GOSPYA is to be congratulated for the fine work they are doing for our youth and in the preparation for this Ball.

I would like to welcome our Guest of Honour, Mr Frank Carroll and thank him for receiving our Debutantes this evening.

Gratitude must also be extended to Father Constantine and the Executive Committee for the guidance of our youth, thus ensuring a sense of maturity and responsibility of our future generations.

Helen Livanos
Matron of Honour

Kon Hatzifotis

As president of the Greek Orthodox Southside Parish my greatest satisfaction comes from our youth. Today's society is probably the hardest for our youth to make the correct decisions in the planning of their lives.

I congratulate the youth of the Southside Parish on the very professional approach in organising this 12th Debutante Ball.

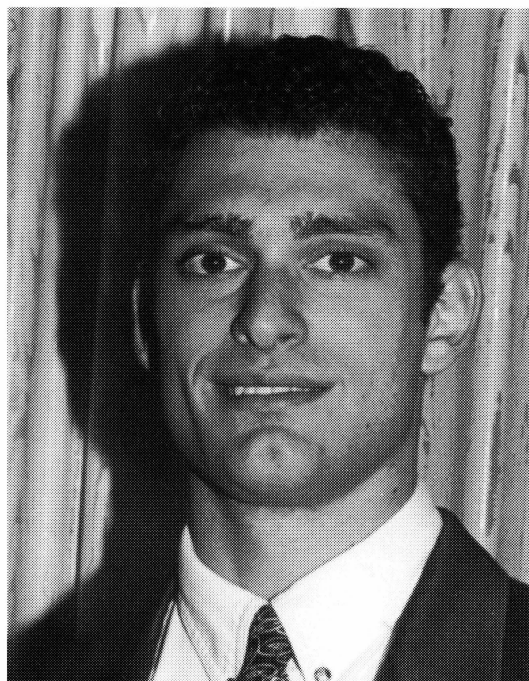

The Debutante Ball is a tradition that must continue as this was and still should be the tradition for young girls to be introduced into society and become young ladies. Congratulations to the parents who have supported these young ladies to keep this tradition alive. Times may have changed but people don't have to change.

In true Christian spirit we must keep our family ties together but keep the old traditions alive. These traditions have worked for hundreds of years. Why change them now?

Greek Orthodox Southsied Parish

Spiro Levonis

As president of GOSPYA, I welcome you to our 12th Debutante Ball.

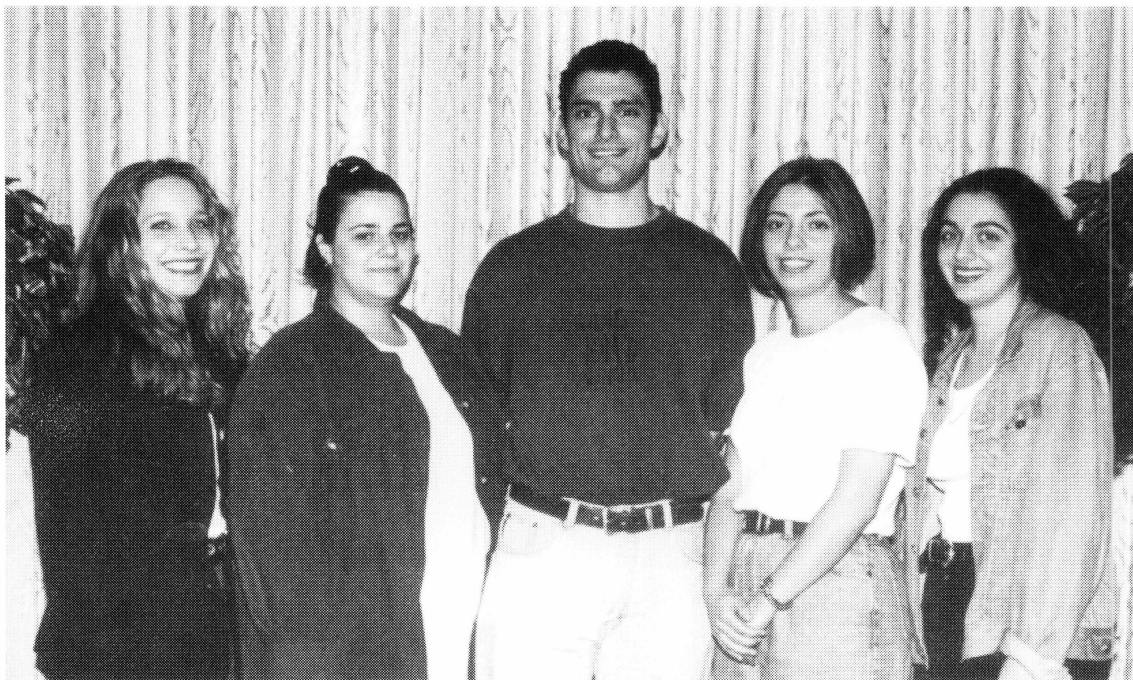

A special thank you to our Guest of Honour for this evening, the local member for Mansfield Mr Frank Carroll MLA and his wife Mrs Carroll. We appreciate Mr Carroll's attendance this evening and with much sincerity thank him for his help in presenting our 1996 Debutantes. Mrs Helen Livanos is our Matron of Honour and must be thanked for her help in preparing the debutantes for their "entrance into society". Her family have also supported our parish for many years and must be congratulated for their hard work and dedication. Thank you also to our other official guests this evening for making this occasion so special for our Debutantes and their families.

The success of this ball is owed to the eleven debutantes and their escorts for their hard work during the last months. Credit must also be given to the future GOSPYANS, our Flower Girls and Page Boys, for being a part of our celebrations.

Tonight would not have been possible without the guidance and support of the GOSP committee, who are always there to help and guide us. Our parish would not be complete without Father Constantine Lentakis for his spiritual guidance and devotion to our youth. My committee members must be thanked for the many months they have contributed to tonight's success. In particular the Debutante Ball sub-committee have been tireless and selfless in their efforts.

Tonight's Debutante Ball has resulted in new friendships amongst the debutantes, their escorts, the youth of our Parish and the strengthening bond with our faith.
